

# Downtown Cortland Parking Permits Updated 1/1/17

The City of Cortland's parking permit program administered by the Cortland Downtown Partnership provides parking permits effective in any of the public parking lots. With nine public parking lots and over 400 parking spaces, the city's downtown lots are a convenient parking alternative for businesses, residents and downtown visitors. Revenue from parking permits funds beautification and improvement efforts to Downtown Cortland.

**In addition to three complimentary hours in downtown's public parking lots and two hours of free parking on Main Street, parking permits are available for longer term needs.** Properly displayed city parking permits hung from the rear view mirror of the vehicle allow permit holders to park all day and or overnight without the worry of moving their car or getting a ticket.

**The following permits are available for your convenience at 40 Main Street (Monday through Friday, 10:00am- 3:00pm):**

**MONTHLY PARKING PERMITS** may be purchased\* for \$25.00 per month or at a discount of \$20.00 per month if six or more continuous months are purchased. These permits allow parking in any of the nine public parking lots all day and overnight, **following the odd/even parking regulation. You must park in either an even or odd parking spot based upon what the following morning will be either an odd or even day.** The odd/even rule only applies overnight.

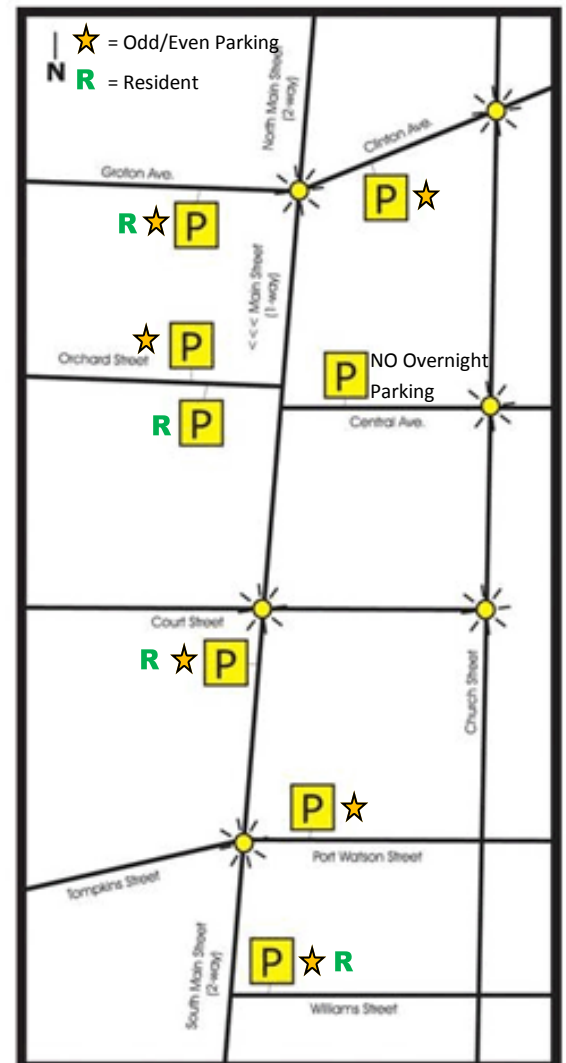

**RESIDENT PARKING PERMITS** may be purchased\* either annually for \$360 or biannually for \$180 from January through June or July through December. These permits allow parking in any of the nine public parking lots all day and overnight, and eliminate the hassle of even/odd overnight parking within designated reserved resident areas.

**DAILY PARKING PERMITS** may be purchased\* for \$5 a day—perfect for businesses hosting clients or workshops, or for residents entertaining guests.

\*Purchases must be made by cash or checks made out to "Cortland Downtown Partnership"
