

# Downtown Cortland Parking Permits

The City of Cortland's parking permit program provides parking permits for use in any of the seven overnight public parking lots. With over 400 parking spaces available, the city's downtown lots are a convenient parking alternative for businesses, residents, and downtown visitors. Revenue from parking permits funds beautification and improvement efforts to Downtown Cortland.

**While the city provides three complimentary hours of parking in public parking lots and two hours of complimentary parking on Main Street, parking permits are available for longer term needs.** Properly displayed city parking permits hung from the rear view mirror of the vehicle allow permit holders to park all day and/or overnight without the worry of moving their car or getting a ticket.

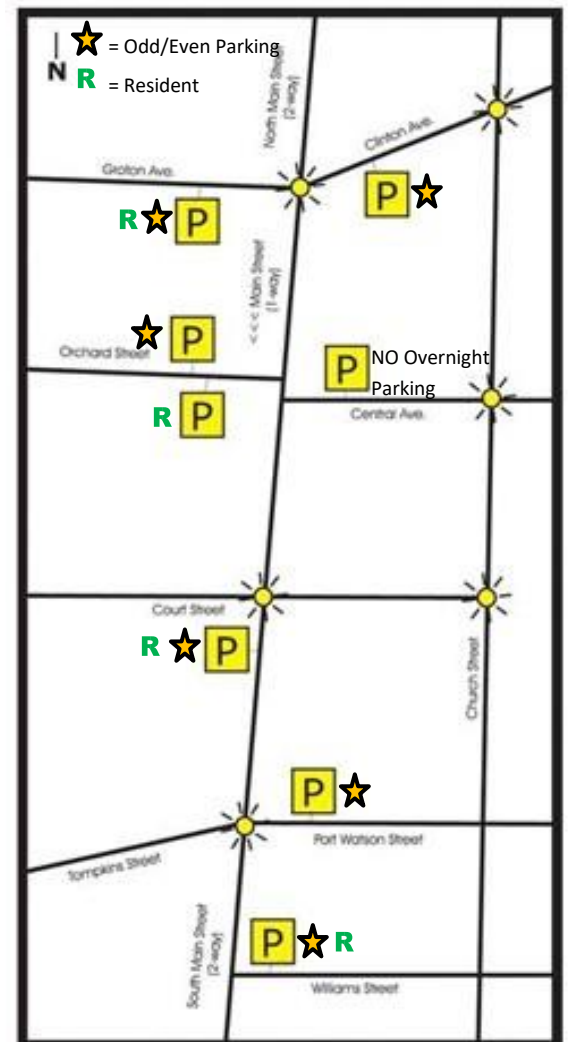

**The following permits are available Monday through Friday, 8:30 am – 4:00 pm, at the City Clerk's Office in City Hall, 25 Court Street:**

**ODD/EVEN PARKING PERMITS:** \$25.00 per month or at a discount of \$20.00 per month if six or more months are purchased at a time. These permits allow parking in any of the seven public parking lots all day and overnight, **following the odd/even parking regulation. You must park in either an even or an odd parking spot based upon whether the following morning is odd or even.** The odd/even rule only applies overnight.

**RESIDENT PARKING PERMITS** \$30 per month. These permits allow parking in any of the seven public parking lots all day and overnight. There is no need to move your vehicle within designated reserved resident areas. This permit does **not** allow overnight parking at the Odd/Even signs.

**Purchases must be made by CASH or CHECK ONLY. Checks made payable to City of Cortland**
